**ZWOOL SHIPPING TIP:** In order to cut down on **YOUR** shipping costs **TO** Zeilinger Wool Co., please pack as much as possible into each box being shipped. Separate runs on processing **DO NOT** need to be shipped in separate boxes. Just separate each run/type of processing with paper or pack in separate bags within the **SAME** shipping box. Shipping companies charge more by the actual dimensions rather than the weight of each box shipped.

Zeilinger Wool Co. **CANNOT** be held responsible for any type of paper materials left in fleeces. To ensure the highest quality in processing, please make sure all paper materials are removed from fleeces **BEFORE** they are shipped for processing.

The process includes washing, picking, pre-carding and up to 1 pass through our 4-section dehairing machine.

If the fiber requires 1 more pass, than an additional \$2.25 per lb. will be added based on net weight of dehaired fiber.

*Cashmere and Musk Ox may noil or pill in the dehairing process.*
