ZWOOL SHIPPING TIP: In order to cut down on **YOUR** shipping costs **TO** Zeilinger Wool Co., please pack as much as possible into each box being shipped. Separate runs on processing **DO NOT** need to be shipped in separate boxes. Just separate each run/type of processing with paper or pack in separate bags within the **SAME** shipping box. Shipping companies charge more by the actual dimensions rather than the weight of each box shipped.

Zeilinger Wool Co. **CANNOT** be held responsible for any type of paper materials left in fleeces. To ensure the highest quality in processing, please make sure all paper materials are removed from fleeces **BEFORE** they are shipped for processing.

Your USED Wool:

- Remove all old coverings from your comforter or mattress pads to avoid additional costs.
- Washing and carding rates are \$10.00 per pound.
- Processing will make the wool lose some of its weight. New wool can be added in 1/2 pound increments for \$22.00 per pound or \$11.00 per 1/2 pound.
- We recommend a lining to keep the wool in place.
